

ZIPPER FOOT “INVISIBLE”

Machine settings:

Stitch: Straight stitch
(Center needle position)

Thread tension: “Auto” or 3 - 5

Stitch length: 1.5 - 2

Stitch width: 0

1. Baste along the zipper opening. Prepare a concealed zipper 2 cm longer than the actual opening size.

2. Baste the zipper tape on the garment before machine stitching.

3. Pull out the center basting threads and open the invisible zipper. Sew the right and left sides of the zipper to the ends of the zipper opening by using the invisible zipper foot.

Left Bodice Back
(Right Side of Fabric)
